Blue flowers artwork
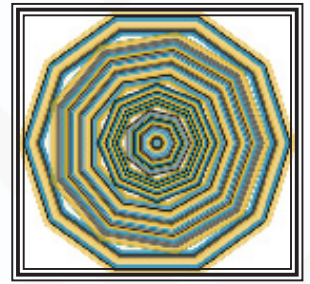

Pink flowers artwork

Style base on....
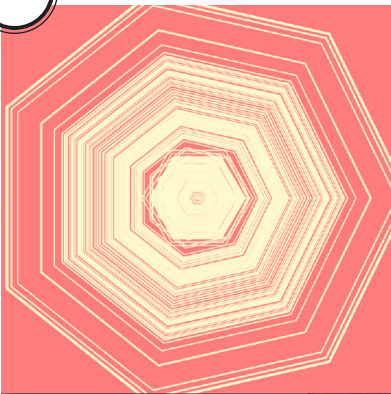

Takashi Murakami
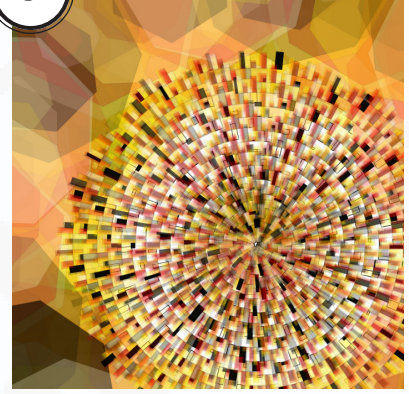

P_2_0_03

1

Explanation:
I reworked P_2_0_03 by changing the background color and the stroke color.
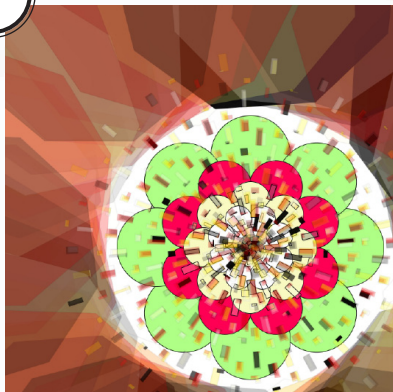

2

Explanation:
I reworked P_2_0_03 by changing the background color and the position of the starting center point of the movement. Adding some other shapes.
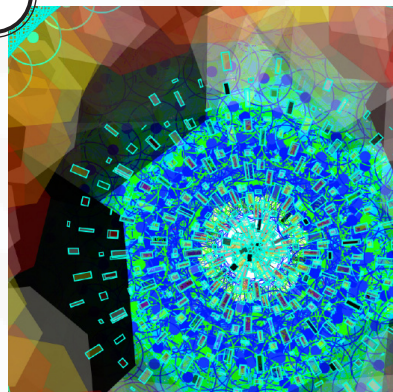

3

Explanation:
I reworked P_2_0_03 by changing the background color and the position of the starting center point of the movement. Filling colors to the rectangles and other shapes.
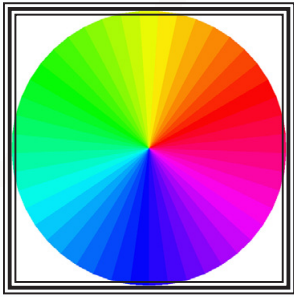

4

Explanation:
I reworked P_2_0_03 by adding a flower shape and filling colors into it.

5

Explanation:
I reworked P_2_0_03 by changing the color of the rectangles shapes and adding ellipses shape.
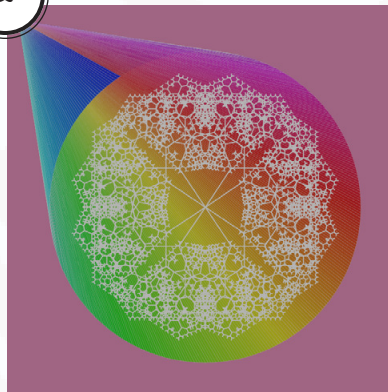

P_1_1_2_01

1

Explanation:
I reworked P_1_1_2_01 by
changing the center point of
the ellipse, varying the stroke
and Weight. I also changed
the background color.

2

Explanation:
I reworked P_1_1_2_01 by
changing the center point of
the ellipse, varying the stroke
and Weight. I also changed
the background color and
adding other shapes and
movement on the center of
the ellipse.

3

Explanation:
I reworked P_1_1_2_01 by
changing the center point of
the ellipse, varying the stroke
and Weight. I also adding
the background movement
and adding other shapes with
movement on the center of
the ellipse.

4

Explanation:
I reworked P_1_1_2_01 by
changing the center point of
the ellipse back to the center.
I also adding multi lines for
the background. The lines will
change the length when your
mouse moves.

5

Explanation:
I reworked P_1_1_2_01 by
changing the background with
multi straight lines(sticks) and
they will move whenever the
mouse pass by.
